On motion of Commissioner Leiga, seconded by Commissioner Gray, the Commission unanimously approved the February 7, 2006 Minutes.

### CHAIRPERSON'S REPORT

Vice-Chairperson Gray introduced newly appointed Commissioner Jeanne Breunig of the Los Angeles City Council. Commissioner Breunig provided a brief background on her qualifications and looks forward to contributing to the Commissions' goals.

### DISCUSSION ON CURRENT/FUTURE COMMISSION GOALS/PLANS FOR 2006

Vice-Chairperson Gray reported Ella Sotelo, County coordinator, stated LAPD is progressing with the rollout and should be completed by December 2006. The Sheriff Department has not conducted the pilot program for the "911" response system. Vice-Chairperson Gray reported the Sheriff Department concern is with staffing and handling the increased call volume.

Commissioner Parlow reported Councilmember Wendy Gruel, City of Los Angeles, is interested in working with the Commission on the proposed Taxicab study to improve cab service within the County. The major issues for consideration are safety and regional coordination. Commissioner Reddock stated interest to join the Taxicab study and advised to include the Department of Transportation and the Taxicab Commission in the study.

In response to Vice-Chairperson Gray, Commissioner Epstein suggested the Commission temporarily postpone engaging in water proliferation issues. Currently, Proposition 50 grant money is being withheld by the State and only agencies with a developed master plan will receive funding.

### STUDY COMMITTEE AND TASK FORCE STATUS REPORT

Vice-Chairperson Gray opened discussion on revisiting the Public Real Estate Asset Management project within the County. Commissioner Leiga advised the main issue is discerning the surplus property/properties that are not cost-effective to use.
